

2020 WORLD JUNIORS TOUR TESTIMONIALS

Here are some of the many positive comments that we received from our fellow Canadian hockey fans that joined the Azorcan 2020 World Juniors Tour to the Czech Republic.

Thanks for organizing yet another great World Juniors trip to Europe! It was a fantastic trip - with the best outcome, obviously - and again, thanks to you and your team for everything. Looking forward to Gothenburg in 2022!

Doug and I just wanted to say thank you for our awesome trip to the Czech Republic for the World Jrs. Your trip exceeded our expectations! It was so well organized from the buses, the side tours, the guides to the hockey itself. We could not have asked for anything more! The tour shop was amazing with such great souvenirs! We hope to be able to travel with you again. Thanks for everything you have done!

What a wonderful holiday you organized for us! We enjoyed every minute of our time! Thank you for including Aidan so warmly during the trip. He is hoping that his participation in this experience places him and his family on the priority list for Sweden 2022! His parents sound quite interested! Thanks again for this incredible experience.

Dawna and I had a great time and again made many new friends and rekindled many from past trips. The tours and country were fantastic you always said we would be amazed and we were not disappointed.

We suspect you are dog tired having overseen another fantastic World Junior Hockey Tournament tour. We thank you for making it such a worthwhile trip and thank you for arranging for Canada to win Gold in a heart stopping final game.

I wanted to thank you for the tour and all the work that you, your family and your partners put into the trip. My wife (Jen) and I had a fantastic time. It was the trip of a lifetime! I will be talking about the great job that you have done and will be happy to refer anyone that I meet to tours with Azorcan.

Just wanted to pass along a big thank you for looking after us at the World Juniors. It was an awesome time, bus rides and all. The World Juniors were everything I had hoped they would be and Canada winning was icing on the cake. I know a lot of work, on your part, to put the tour together and look after such a large group. You and your team did an awesome job! We wish you continued success as you take groups to Europe for these and other special events.

Our tour was so much more than we ever could of hoped for. So many tours. Such great seats for the games. Guides and drivers super friendly and nice. Every detail was taken care of by you and your staff. We made many friends who I imagine we will keep in touch with. And we have memories and keepsakes we will cherish forever. Can't wait for Sweden.

Just want to say how excellent our trip to Prague was - exactly as you said it would be and then some. The games we saw were great - well maybe the round-robin Canada/Russian game could have been a little better but we showed them in the end. Thank you so much for all you arranged; a wonderful New Year's celebration, the band was excellent. The hotels, once again were so incredible - the service/breakfasts etc. were excellent. When we come back I simply cannot contain myself about how great the experience is. How great the hockey is and how absolutely wonderfully prepared and executed travelling with an Azorcan tour is.
